# HISTORY OF THE CLASS OF 1965

Thirteen years ago as we look in on the kindergarteners, we see the following kiddies: Lynnette Stamm, Joyce Snipe, Grace Schrock, Randy Schang, Larry Wyse, Judy Wyse, Larry Stuckey, Rodney Roth, Velda Natziger, Sara Natziger, Esther Nofziger, Ed Nofziger, Jerry Miller, Allen Leichty, Shirley Klopfenstein, Paul King, Joyce Frey, Carolyn Frey, Dave Buehrer, Janet Beck, Tom Timmons, Rose Mary Natziger, Greg Grime, Ronnie Aeschliman, Mike Stamm, Nancy Springer, Verle Short, Phillip Rich, Peggy Zeigler, Walter Wlasiuk, Jolene Winzeler, Stanley Wilcox, Diane Storrer, Paula DeGroff, Joe Dominique, Larry Christy, Irv Carter, Paul Buehrer, Calvin Britsch, Patty Miller, Dave Layman, Bonnie King, Mike Rupp, Steve Pape, Vicky Erbskorn, Dean Seiler, Paul Shroeder, Gloria Trejo, Rudy Barrera, Paul Roth, Jackie Mills, Roberta Grime, Gary Gearing, Jr. Davis, Susie Burkholder, Kenny Aumend, Diane Pettigrew, Betty Sword, Pam Pace, Darlene Miller, Polly Fleming, Jeanne Menichetti, Bruce Beck, and Linda Shroeder.

From the sandpile we moved up to the "Alice and Jerry" Readers. The following children joined us in our first grade: Joe Grime, Jim Grime, Linda Stout, James Layman, Margaret Jimenez, and Dora Fonseca. We were sad to see Dean Seiler, Rudy Barrera, Jackie Mills, Roberta Grime, Kenny Aumend, Polly Fleming, and Jeanne Menichetti, leave.

As we go on to the second grade we learned the art of writing. This year we joined the Reading Circle Club and received our seals. This year we gained: Sharon Tice, Robert Zuercher, Fred Hausch, Robin Rupp, and Lynda Cotter, and lost: Paul Roth, Diane Pettigrew, James Layman, and Dora Fonseca.

During the third grade we discovered our dramatic ability, by presenting a series of plays such as Cinderella, Little Red Riding Hood, Billy Goat Gruff, etc. To our class we added: Rhoda Short, A. Garza, Jeanne Menichetti, and Tom Dominique, and lost Robin Rupp.

During the fourth grade we found the hall more pleasant than the classroom, due to the use of squirt guns. Those who joined us were: Danny Borton, Burton Gerken, Tom Holsopple, A. Mora, and Jerry Nichols. Those who left us were: Bruce Beck, Sharon Tice, and A. Garza.

In the fifth grade we discovered our hidden basketball and cheerleading talents. Those who came this year were: Sharon Mast and Doug Rupp. The only one leaving was Paul Shroeder.

During the sixth grade we became the "graduates" of the elementary. We gained: Bertha Santos, Charles Standard, Nancy Storrer, and Rita Hahn; lost were: Gary Gearing, Betty Sword, Linda Stout, Jeanne Menichetti, A. Mora, Jerry Nichols, and Pam Pace.

We entered the seventh grade lost and scared. Those who joined us in our attempt to find our classrooms were: Dennis Balser, Alfreda Miller, Willis Hayes, and Jerry Nichols.

In the eighth grade we became the "big shots" of Jr. High. Mary Shaffer moved in, and Gloria Trejo, Bertha Santos, Sharon Mast, Dennis Balser, Alfreda Miller, and Jerry Nichols.

During the freshman year we had the difficult task of choosing our high school courses. We gained many students from big "Elmira Tech." They were: Jo Ellen Frucney, Sharon Garmon, Doug Gigax, Larry Grime, Marilyn Lantz, Jerry Lauber, Mary Lumbrezer, Becky Roth, Judy Smucker, Gary Stuckey, Darlene Wyse, Karen Zaerr, and Becky Burkholder. We also gained a few "Zone Zombies." They were: Nancy Crossgrove, Mary Merrilat, Carol Rowe, Carolyn Trowbridge; from other towns came: Mike Andrews, Jan Filip, Pam Pace, Richard Peters, Wendy Galvan, Kathy Holsopple, and Mary Anna Garcia, Lauannah Blosser.

When we were sophomores we sold mums for Homecoming and selected our class rings. Those who came this year were: Cindy Aeschliman, Rudy Albi, and Debbie Lacy. Those who left: Fred Hausch, Mike Andrews, Richard Peters, Wendy Galvan, Kathy Holsopple, Marianne Garcia, and Nancy Storrer.

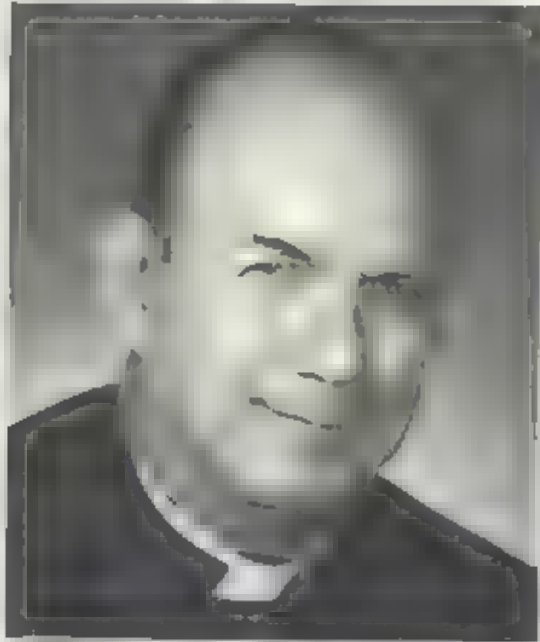

At the beginning of our Junior year we received our rings after many months of waiting. In the fall we also presented "The Family Nobody Wanted," our Jr. Play. The highlight of our Jr. year was decorating for the Jr. Sr. Banquet. The theme we chose was "Roman Holiday." Those who came were: Barb Koch, Tom Leahy, Gwen Phipps, and Barb Yeiter. Those leaving were: Pam Pace, Linda Shroeder, Susie Burkholder, Connie Rupp, Jr. Davis, Barb Yeiter, Willis Hayes, and Debbie Lacy.

In the fall of 1964, we finally became Seniors. This Year the Seniors had their last Homecoming and football season. In November we put on the Senior Play, "Nothing But the Truth." Then our last basketball season closed with a fine record. All of the music groups received Superior ratings at District and at State. On May 7, the Seniors attended the Jr.-Sr. Banquet held in their honor. The theme was "Swiss Paradise." Baccalaureate was held on May 23, and Commencement was May 25. On May 30, we left Toledo for New York and Washington, our last activity as a class. We then joined the alumni as the graduating class of 1965. Those who joined us in our last year were: Mike Buttermore, Carolyn Taylor, and Pete Bolanis. There were eighty-five in our graduating class.

# FUTURE FARMER PROJECTS

A collage of black and white photographs documenting the activities of Future Farmer projects. The images show various groups of students and adults engaged in different tasks. Some photos depict large groups of students in formal or semi-formal attire, possibly at a banquet or presentation. Other photos show individuals working on projects, such as a student working on a model or a student in a laboratory setting. There are also photos of students in classrooms, some standing and some sitting at desks. The collage is arranged in a non-linear fashion, with photos of different sizes overlapping each other. The overall theme is the diverse and hands-on nature of the Future Farmer program.

## STUDENT TEACHER AWARD

Carolyn Trowbridge

The teachers in Archbold High School who accept the responsibilities of working with Student Teachers from The Defiance College are awarded two semester hours of college credit for each student teacher they have during a school year. Since most of the teachers who accept practicing teachers are not especially interested in attending college, they have the privilege of designating a graduating senior to whom they wish to transfer their credits. The recipient for these credits from the class of 1965 is Carolyn Trowbridge. She will receive fourteen semester hours of credit worth over five hundred dollars toward her tuition costs.

## ROTARY AWARD

The Archbold Rotary Scholarship was originated in 1959. It is a cash award of one hundred dollars and must be used to help pay the costs of a college education.

The winner must be a worthy young man or woman. He must be a good student of college calibre, have a wholesome school attitude and spirit and must have contributed to his teams, his classes, and the school in general.

Past winners of the award were: David Rupp, who has graduated from the Ohio State College of Law; John Jimenez, a graduate of Adrian College, now teaching and coaching; Larry Rupp, a 1965 graduate of Muskingum College; Daryl Graber, now attending the University of Cincinnati; Michael Grime, now in attendance at Adrian College; LaMar Holsopple, attending Goshen College.

Stephen Pape

The 1965 winner is Stephen Pape, who will attend Bowling Green State University.

The Blue Streaks enjoyed a good season on the gridiron. They won five games, lost three and tied one. They lost to the league champions, Bryan and to Montpelier and were edged in the second half by Wauseon. A little more depth in all positions would make the Streaks a formidable foe for any of their opponents.

John Fraas, one of the finest ends in Streak history was chosen to the All-League First Team on offense. Larry Christy was chosen to the second team on offense. On defense, John Fraas, Dan Borton and Tom Dominique were selected to places on the first team. Jerry Lauber and Paul Buehrer were chosen to the second team on defense. Larry Grime was given Honorable Mention on defense.

Dan Borton was chosen as the Most Valuable Player and Paul Buehrer and Larry Christy were named co-captains. Tom Storrer was named the Most Improved Player on the team.

The following seniors were lost by graduation: Dan Borton, Doug Gigax, Doug Rupp, Tom Dominique, Larry Grime, Tom Leahy, Paul Buehrer, Jerry Lauber, Jan Filip and Larry Christy. These players will be difficult to replace, but a lot of good underclass lettermen, along with some fine prospects from the Freshman squad will give the Streaks another good team for the fall of 1965. The Freshmen won the league title and the Junior High squad broke even in their games. A squad of forty to fifty boys is expected when the call is sounded in August.

The Blue Streaks gave their followers one of the most exciting basketball teams and seasons in years. They came through with an excellent record of 18 wins and only four losses. In many of the Streak victories a margin of one to three points kept the Streak fans on edge all the way. The boys won the close ones and this is the mark of a good team. They finished second in the NWOAL, won the Sectional Tournaments at Hulltop and Bryan and reached the District finals.

This year will enter the records as the first time in which there was no Fulton County Tournament, this having been replaced by the Sectional Tournaments.

John Fraas was selected for the First Team on the All-League NWOAL selections. David Stuckey was voted Second Team honors. Paul Buehrer and Roger Springer were awarded Honorable Mention.

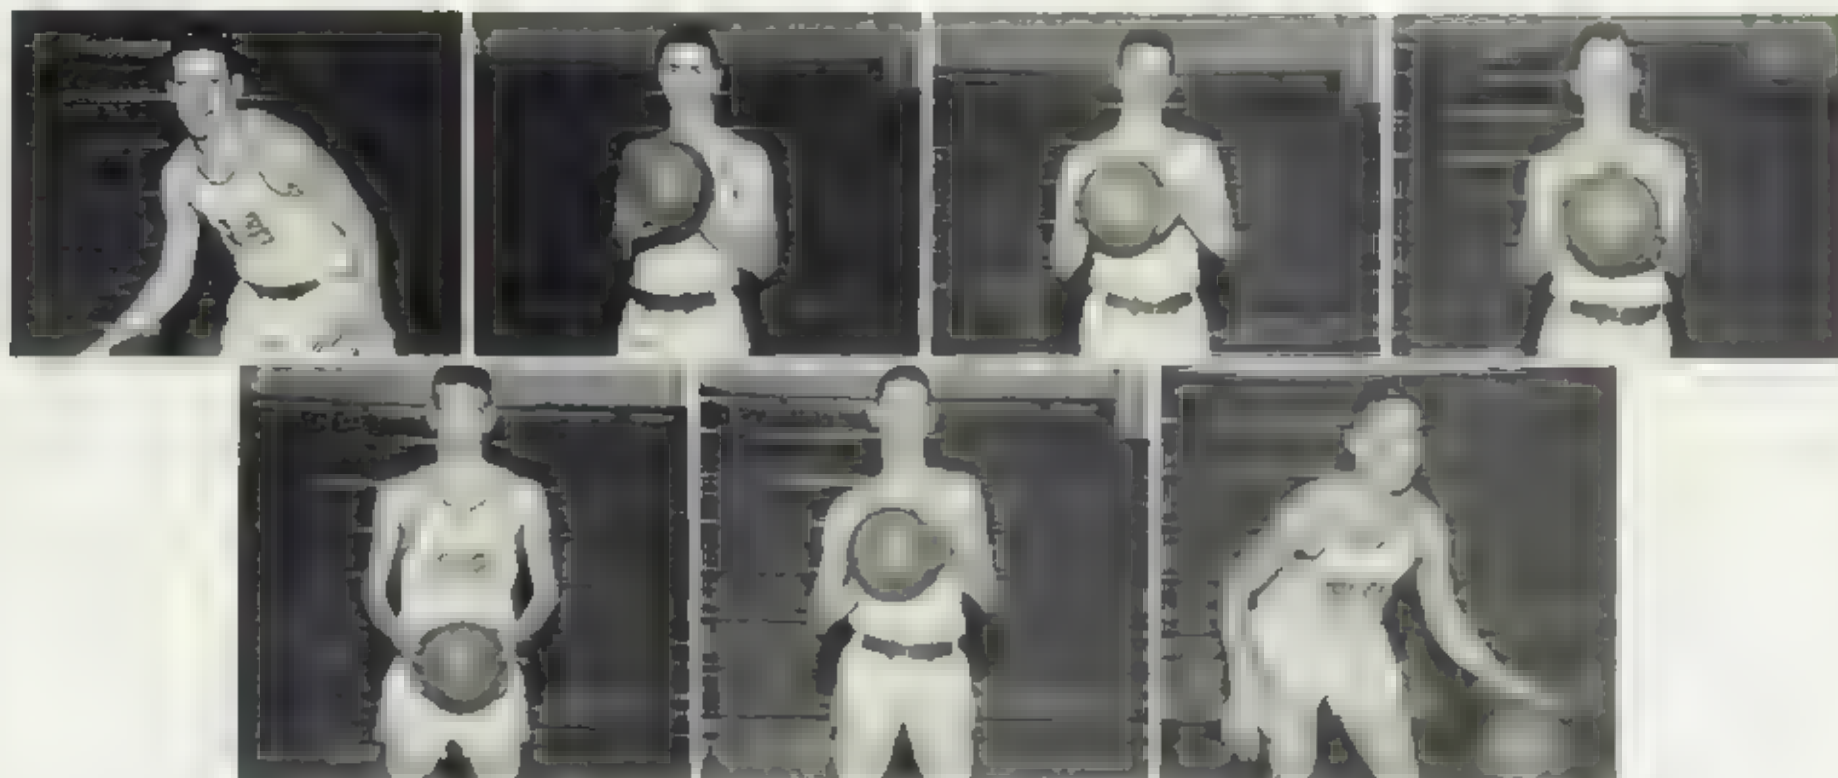

John paced the team in scoring, followed by David Stuckey, Roger Springer and Paul Buehrer, Roger Springer was tops in the free throw department.

The Streak Reserves won twelve and lost three, the Freshmen came through with a perfect 17-0 record, winning the NWOAL League title and the Fulton County Tournament and the Junior High Team had a fine season and won the NWOAL League Tournament. With these fine prospects in school, some fine teams are expected in the coming years.

In the won and lost records the 1965 Streak wrestlers did not enjoy a good season. They won three matches and lost eight. The squad was composed of mostly young boys who will be back for another year or two. Many fine individual performances were turned by the boys, but a lack of balance made it difficult going against the many strong teams on the schedule.

Douglas Rupp won the newly created Freddie L. Stamm Memorial award. He and Tom Dominique are the only members of the squad lost by graduation.

The Blue Streaks had an off-season on the baseball diamond this year. They finished the season with a record of five wins and eight losses. This is the first losing season the Streaks have experienced in quite some years. A lack of hitting, along with some faulty fielding had much to do with the losses in several games.

Danny Grieser led the team in hitting with a fine .361 average. Gerken hit .333 and Christy .302 for the only 300 hitters. Larry Christy posted a 3-2 record on the mound to lead the pitchers. David Stuckey, Steve Rettig and Dan Grieser were the other pitchers.

The team loses Gerken, Christy Buehrer, Filip, Dominique and Stamm via graduation. They will have the nucleus for a good team next year with David Stuckey and Steve Rettig ready for mound chores and Rick Stotzer behind the bat.

Tom Storrer set a new NWOAL league record in the pole vault at an even twelve feet. He also established a new school record. Greg Wlasiuk set new school records in the shot put and in the discus.

More emphasis was placed on track on the freshman and junior high levels. It is hoped that the future will see some fine track performances from the coming Blue Streak cinder squads.

# SPORTS

## A large, dense collage of black and white photographs depicting various sports activities. The word "SPORTS" is prominently displayed in the upper center in a bold, sans-serif font. The collage includes numerous action shots of athletes in motion, such as basketball players shooting or passing the ball, football players running or blocking, and track athletes running. There are also group photos of teams and individuals, some in formal attire and others in athletic gear. The images are arranged in a non-linear, overlapping fashion, creating a sense of dynamic energy and comprehensive coverage of school sports.

# RYCHENER AWARD

Dr. Ralph O. Rychener

The Rychener Award was established in 1946 by the late Dr. Ralph O. Rychener. Dr. Rychener was an alumnus of Archbold High School. For many years he was a well-known and successful surgeon in Memphis, Tennessee. His financial and moral support of the school and its activities were known to all students and all others who followed the fortunes of school athletics.

The award was made in honor of Dr. Rychener's parents, Mr. and Mrs. N. J. Rychener, local residents, who always showed a keen interest in Archbold school affairs. The award is for two hundred dollars and must be used to help defray the costs of a college education.

The award is made on the following basis: Thirty per cent, Athletic Ability; thirty per cent, Scholarship; twenty per cent, Neatness and Personal Appearance; and twenty per cent, School Attitude. In 1952 a revision was made requiring an average grade of B or better in high school English. If the selected winner does not go to college the money will revert to the fund.

The winner is selected by members of the high school athletic staff and the high school principal.

Past winners of the Rychener Award were: 1946, Aden Storrer; 1947, Gerald Lehman; 1948, Paul Sigg; 1949, Arthur Kleck; 1950, John Clair; 1951, Dale Leu; 1952, Ralph Burkholder; 1953, Paul Yoder; 1954, Andrew Murbach; 1955, Robert Kleck; 1956, Wilmer Dean Rupp; 1957, William Palmer; 1958, John Rich; 1959, Dean Rupp; 1960, John Jimenez; 1961, James Kleck; 1962, James Rupp; 1963, Larry Holland; 1964, Lonnie Short.

# FREDDIE L. STAMM MEMORIAL AWARD

Freddie L. Stamm, Class of  
1963  
October 31, 1945--September  
29, 1964

To Freddie L. Stamm

## The Challenge to Succeed

Ten classmates through their association in classes, athletic contests, everyday fellowship, wanting to perpetuate their sincere and devoted admiration, expressed a desire to furnish a trophy in memory of Freddie L. Stamm.

This award was conceived in the belief that consistent hard work and a good attitude, such as was exemplified by Freddie, deserve recognition.

The trophy is to honor, yearly, a member of the wrestling team contributing the very most to his team and school.

Some athletes have never known the satisfaction of doing their best in sports, the complete wonderful feeling of finishing a job, the joy and comfort of excellent class work. These merits Freddie possessed.

It is, I am sure, the wishes of Freddie's classmates responsible for this award that the aforementioned attributes might be a guide to follow in order to win this coveted honor.
